

## Velvet Hammer Cocktail honoring Teri McMurtry-Chubb

---

*A glass coated with vermouth and extra olive juice gives a new twist to this Teri McMurtry-Chubb version of a Dirty Martini. As Teri says, it goes down smooth like velvet, but hits like a hammer.*

### **Ingredients:**

- 6 oz. Vodka (Teri prefers Grey Goose)
- 1 TB Vermouth (just enough to coat the glass)
- 1-2 oz. Olive juice (more if you like it really dirty)
- 4-6 Stuffed Olives (Soak them in the drink for a delicious treat; but watch out because Teri's cat might steal one!)

### **Directions:**

Chill a martini glass. Once chilled, pour the vermouth into the martini glass and swirl around the sides. Discard the rest. In a cocktail shaker or mixing glass, combine the vodka, olive juice, and olives. Pour into the martini glass and enjoy!
